Moon News

Finalist, 2021 Miller Williams Poetry Prize Craig Blais's *Moon News* deploys the sonnet form to treat subjects as diverse as Gregor Samsa, SpongeBob SquarePants, and the cosmos. Here the form's capaciousness is engaged to full effect. Blais, who turned to the sonnet as a method for focusing on the present in the early days of his recovery from alcoholism, confronts personal demons, loss, and the possibility for healing in this remarkable second collection.
