Leadership Team Coaching

Developing Collective Transformational Leadership

FINALIST: Goody Business Book Awards: Leadership: Team Building Organizations are most effective when the teams responsible for their success work together collectively and in a dynamic relationship with the rest of the company. For those involved in developing leadership teams, understanding coaching practices and techniques is essential for enabling the best performance. Leadership Team Coaching provides a comprehensive roadmap for team coaching, explaining all the key elements alongside practical tools and techniques for developing international and virtual teams, executive and non-executive boards and project and account teams in all types of organizations. Featuring case studies and insights from organizations including Deloitte and General Electric (GE), it also contains guidance on choosing the best team coach, creating a team-based culture and common pitfalls to avoid. This fully updated fourth edition of Leadership Team Coaching contains new material on agile teaming, using digital team coaching apps and AI, and training team leaders to coach their own team. It remains an indispensable resource for coaches and senior leaders as well as for those studying coaching as part of a degree or coaching qualification.
