## Open and Innovative Trade Opportunities for Latin America and the Caribbean

---

Trade, especially international trade, is an important component of business that can be instrumental to the prosperity of a country or region. The various economic expansions into the South American region, in particular, have become increasingly scrutinized for their industrial and capital policies and how they impact the local communities as a whole. Open and Innovative Trade Opportunities for Latin America and the Caribbean is a collection of innovative research on the methods and applications of international trade relations within Latin American countries. While highlighting topics including international relations, local governance, and global economics, this book is ideally designed for entrepreneurs, government officials, business owners, researchers, policymakers, academicians, students, and international business professionals. Topics Covered The many academic areas covered in this publication include, but are not limited to: - Bilateral Relationships - Business Partnership - Business Policy - Foreign Policy - Global Business - Global Economics - International Relations - International Trade - Local Governance - Social Development
