

## Online Distance Learning Course Design and Multimedia in E-Learning

---

In recent years, the rampant development of worldwide communications and powerful modern technologies has reformulated the idea of distance learning and the transmission of higher education content. Combined with these new developments and the outcomes of the COVID-19 pandemic, there is an apparent need for a thorough discussion on all features of e-learning. Online Distance Learning Course Design and Multimedia in E-Learning disseminates research, experiences, and philosophies surrounding innovation within higher education online teaching and learning environments. It includes case studies of relevant and fruitful applications, practical challenges, and examinations of the most recent innovations. Covering topics such as online management education, student engagement, and gamification, this book is an essential resource for academicians, researchers, educators, pre-service educators, principals, administrators, consultants, instructional designers, technologists, computer scientists, and policymakers.
