Building and Sustaining a Coaching Culture

Authored by leading names in the field of coaching and CPD, David Clutterbuck, David Megginson and Agnieszka Bajer, Building and Sustaining a Coaching Culture is the must-read sequel to the much-quoted, seminal book Making Coaching Work: Creating a Coaching Culture. The authors begin by analysing what has changed in our understanding of coaching culture since the previous book, before providing an update on new knowledge and experience, backed up by short and diverse case studies. With a different structure but equally accessible writing style, Building and Sustaining a Coaching Culture is focused on implementing a coaching and mentoring culture and is in line and up-to-date with the latest themes and terminology in the field.- See more at: <http://shop.cipd.co.uk/shop/bookshop/building-and-sustaining-a-coaching-culture#sthash.mJPw5mvG.dpuf>
