Understanding Children's Books

A Guide for Education Professionals

Children's books play a vital role in education, and this book helps you to choose books that have the most to offer young children. Each chapter reflects on a different theme or genre and their role in educational settings, and recommends ten 'must reads' within each one. The themes covered include: - books for babies - literature for the very young - narrative fiction - books in translation - poetry - picture books - graphic texts. Early years professionals, childcare professionals and teachers working from nursery to Key Stage 3 will find this book a fascinating and useful resource.
