

Eckersley

## Environmentalism And Political Theory

Toward An Ecocentric Approach

---

This book represents the consolidation of a new field of political enquiry that is becoming an increasingly important component of political studies throughout the world. Eckersley's interdisciplinary study builds bridges between environmental philosophy, ecological thought and political enquiry, using a range of new insights from environmental philosophy to outline a particular Green political perspective. Aims to provide a detailed and comprehensive examination of the impact of environmentalism on contemporary political thought.
