

Armed Conflict Survey 2016

The Armed Conflict Survey provides yearly data on fatalities, refugees and internally displaced people for all major armed conflicts, alongside in-depth analysis of their political, military and humanitarian dimensions. This edition covers the key developments and context of more than 40 conflicts worldwide. It features essays by the world's leading authorities on armed conflict, covering the development of jihadism after 9/11, hybrid warfare, refugees and internally displaced people, criminality and conflict and the evolution of peacekeeping operations. It includes maps, infographics and the IISS Chart of Conflict.
