An Anthology of Single Land Tax Thought [vol 3, Henry George Centennial Trilogy]

An understanding of the Single Land Tax (or the single tax on land value, as it is usually known) and of Henry George go hand in hand, for this was a major tenet of his political economy. This final volume in the Henry George Centennial Trilogy comprises selections from the works of distinguished scholars, both past and present, on the single land tax and its relation to Georgist philosophy. Drawing upon principles of land economics, they offer detailed and diverse insights into the concept of a single tax based on land value and the practical uses of land value taxation in industrialised economies as an effective and equitable way to redistribute wealth.
