Step-Up to Medicine

Find what you need to know—fast! This bestselling volume in the popular Step-Up series provides a high-yield review of medicine, ideal for preparing for clerkships or clinical rotations, shelf exams, and the USMLE Step 2. Clinical pearls, full-color illustrations, and “Quick Hits” provide essential information in an efficient, easy-to-remember manner to help you excel on your exams and succeed in the clinical setting. Also includes a 100-question practice exam to support preparation. - Updated and revised content reflects extensive research with faculty and students. - Figures, charts, tables, graphs, and mnemonics aid visual learners and facilitate retention of essential material. - Enhanced high-yield outline format and Quick Hits save time and help students review more efficiently. - 100-question practice exam helps students prepare for shelf and board. - Succinct, outline approach keeps “extra” material to a minimum, focusing on the core content students need to know. - Clinical pearls help students “file away” clinical connections for handy retrieval at test time and aid in the transition from basic science to clinical medicine. - Easy-to-follow algorithms demonstrate examples of effective clinical reasoning, particularly for similar complaints. - Coverage includes every essential area of medicine, including body system diseases and disorders; fluids, electrolytes, and acid-base disorders; hematologic diseases and neoplasms; infectious diseases; diseases of the skin and hypersensitivity disorders; and ambulatory medicine. - Helpful appendices cover radiographic and electrocardiogram interpretation, physical examination pearls, workup and management of common problems on the wards, basic statistics and evidence-based medicine, and end-of-life issues and informed consent. - eBook available for purchase. Fast, smart, and convenient, today’s eBooks can transform learning. These interactive, fully searchable tools offer 24/7 access on multiple devices, the ability to highlight and share notes, and more
