## Spirituality in Management

Insights from India

With spirituality being brought to the fore of management and organisation studies, this timely collection takes a closer look at the relationship between religion and work in India. Bringing together experts from various backgrounds, this book provides a comprehensive review of the topic, addressing its key underpinnings and complexities. Spirituality in Management is divided into four sections, covering the evolution of workplace spirituality, its causes, characteristics and outcomes, and culminating in a critical analysis. A thought-provoking read for scholars, students and policy-makers, this book provides an Indian perspective on managing spirituality at work, and offers insights into successful organisational practice.
