

Finance and Sustainability

Proceedings from the 2nd Finance and Sustainability Conference, Wroclaw 2018

This volume presents the proceedings of the ZAFIN Finance and Sustainability conference, organized by the Wroclaw University of Economics in cooperation with Corvinus University of Budapest and the University of Economics in Prague. The contributing authors analyze a variety of issues concerning recent finance problems, including corporate finance, public finance, monetary and fiscal policy issues, and risk management. The book also addresses topics connected to sustainable finance, the transition to green economies, corporate sustainability and sustainable development. The target audience for this book includes researchers at universities and research and policy institutions, graduate students, and practitioners in economics and finance working for private or government institutions.
