

Sustainable Education and Development – Making Cities and Human Settlements Inclusive, Safe, Resilient, and Sustainable

Proceedings of the Applied Research Conference in Africa (ARCA), 2021

This book presents papers from the 10th Applied Research Conference in Africa (ARCA), showcasing the latest research on education and inclusive, safe, resilient, and sustainable communities. The conference is focused on applied research discussion and its dissemination, developing understanding about the role of research and researchers in the development of the continent. Education is a key driver to transform lives, build peace, eradicate poverty and drive sustainable development in Africa. Researchers face large challenges to making a meaningful contribution to the development of Africa. It is a continent where research can at time be not viewed directly related to development. The aim of the Applied Research Conference in Africa is to provide a platform for capacity building and networking among researchers in Africa. The proceedings is focussed on applied research, its discussion and dissemination and will be of interest to researchers, professors, graduate students, policymakers and professionals in industry.
