

Lucius Annaeus Seneca: Epistulae morales ad Lucilium / Briefe an Lucilius. Band I

Senecas Briefe an seinen Freund Lucilius sind eine Einführung in die stoische Philosophie. Dabei strebt der Autor keine systematische Darstellung an; ihm geht es darum, Wege zur philosophischen Bewältigung konkreter Probleme des menschlichen Lebens aufzuzeigen. Themen wie Einsamkeit, Krankheit, der Tod berühren uns in gleicher Weise wie die Menschen vor 2000 Jahren. "Du entsinnst Dich doch noch, welche Freude Du empfandest, als Du die Toga des Knaben ab- und die des Mannes anlegtest und man Dich aufs Forum führte. Erwarte eine noch größere, wenn Du knabenhafte Sinn ablegst und die Philosophie Dich unter die Männer aufnimmt."

Since 1923 the Sammlung Tusculum has published authoritative editions of Greek and Latin works together with a German translation. The original texts are comprehensively annotated, and feature an introductory chapter. In the new volumes, additional essays delve into specific aspects of the works, illuminating their historical context and reception to the present day. The high academic quality of the new editions together with clearly written essays and annotations make the Sammlung Tusculum essential reading for students who are discovering an ancient author for the first time as well as professional scholars who would like to gain a deeper understanding of specific aspects of a given work. Moreover, the series is ideal for lay readers who would like to engage with antiquity through a reliable German translation. The series contains over 270 titles, available in print and eBook editions, making previously out-of-print titles and rarities available again for the first time. In order to celebrate the 90th anniversary of the series, De Gruyter is proud to present Tusculum Online, an eBook package which contains all titles that appeared between 1923 and 2013 – a fitting tribute to an important part of German publishing history.
