

Multiple Access Communications

8th International Workshop, MACOM 2015, Helsinki, Finland, September 3-4, 2015, Proceedings

This book constitutes the refereed proceedings of the 8th International Workshop on Multiple Access Communications, MACOM 2015, held in Helsinki, Finland, in September 2015. The 12 full papers presented were carefully reviewed and selected from 18 submissions. They describe the latest advancements in the field of multiple access communications with an emphasis on wireless sensor networks; physical layer techniques; resources handling and allocation; medium access control protocols and video coding.
