## Facial Rejuvenation

A Total Approach

This reader-friendly and unique compendium on all aspects of non-invasive facial rejuvenation shows the current approach to the issue. It describes when and how to use laser and laser-like technology, the variety of superficial and deep peels which can be used by themselves or in conjunction with lasers. Last but not least, it also covers the variety of dermal fillers and skin volume enhancement agents and the increasing cosmetic uses of botulinum toxin. Novices as well as experts will benefit from the wealth of experience and expert practical information of the authors who are world-renowned experts in their field.
