Tönnies, R: Gitarre spielen 1

The modern guitar method for young people and adults offers the recipe for success when it comes to melody playing, picking and chord accompaniment. It does not make a difference if you are an absolute beginner or if you already know a few chords. For with the pieces that you have always wanted to play, you also learn to play the guitar: plucking, melody and song accompaniment, and the major chords and rhythms with which you can play the best 50 folk and pop songs. The CD as a training partner guarantees a lot of fun and success: You can listen to the songs as they are supposed to sound. Fade out one of the channels! You then have 3 possibilities to play along: melody, picking or rhythm. Instrumentation: guitar
