

Augustine and Manichaeism in the Latin West

Proceedings of the Fribourg-Utrecht Symposium of the International Symposium Association of Manichaeism Studies (IAMS)

Manichaeism, once a gnostic world religion, soon spread to the Roman West. Here, the life and the work of the future (and, without doubt, most influential) Church Father Augustine (354-430) became inextricably connected with Manichaean teachings and practices. In view of the many new Manichaean texts in particular, it turns out that, without a thorough knowledge of the 'Religion of Light', Augustine's theology and philosophy are hardly conceivable. This volume brings together the selected papers of the Fribourg-Utrecht symposium Augustine and Manichaeism in the Latin West, organized on behalf of the International Association of Manichaean Studies in Fribourg (Switzerland) in the summer of 1998. It contains a considerable number of contributions by leading authorities on the subject, focussing on the diffusion of Mani's religion in the Latin West and on its impact upon St Augustine. Originally published in hardcover.
