Augustine and Manichaeian Christianity

Selected Papers from the First South African Conference on Augustine of Hippo,
University of Pretoria, 24-26 April 2012

Based on several newly discovered texts, Augustine and Manichaeian Christianity provides groundbreaking discussions of the relationship between the most influential church father of the West and the religion of his formative years. Augustine's connection with Manichaeian Christians was not only intense, but also enduring. This book unearths the essential background of writings such as Augustine's Confessiones, De ordine and De vera religione, and discloses many a hidden Manichaeian source of his powerful concepts of memory and the vision of God. Contributions by, among others, Iain Gardner, Therese Fuhrer, Jason BeDuhn, Majella Franzmann, Josef Lössl, Annemaré Kotzé and Nils Arne Pedersen.
