## Critical Readings on the Communist Party of China (4 Vols. Set)

The Chinese Communist Party (CCP), with nearly 90 million members, is the largest ruling political party in the world. Its power and influence reach into every corner of state, society and economy in China. Given the CCP's omnipresence, in-depth knowledge of how the CCP is organised and managed and how it will likely evolve is of paramount importance and is a basic prerequisite for understanding China's rise. By bringing together the best scholarship on the CCP, covering areas such as organisation, cadre management, recruitment and training, ideology and propaganda, factions and elites, reform and adaptation, corruption and law, this collection provides a key to open the black box of Chinese politics.
