Canada's Best Features

Critical Essays on 15 Canadian Films

Long recognized for outstanding National Film Board documentaries and innovative animated movies, Canada has recently emerged from the considerable shadow of the Hollywood elephant with a series of feature films that have captured the attention of audiences around the world. This is the first anthology to focus on Canada's feature films - those acknowledged as its very best. With essays by senior academics and leading scholars from across the country as well as some fresh new voices, Canada's Best Features offers penetrating analyses of fifteen award-winning films. Internationally acclaimed directors David Cronenberg, Atom Egoyan, Denys Arcand, and Claude Jutra are represented here. Noteworthy films include Mon oncle Antoine, often cited as Canada's number one film of all time, such Cannes Festival favourites as Le déclin de l'empire américain and Exotica, and cult films Careful by Guy Maddin and Masala by Srinivas Krishna. The essays offer the latest word on these films and filmmakers, done from a variety of perspectives. Some of the films have never been examined in-depth before. Complete filmographies and bibliographies accompany each essay. A contextualizing introduction by Professor Gene Walz provides the necessary overview. An annotated bibliography of books on the Canadian film industry completes this impressive package.
