Annual Report on the Development of China's Special Economic Zones (2016)

Blue Book of China's Special Economic Zones

The Annual Report objectively reflects the year's developments in terms of politics, the economy, society, culture, the environment, innovation and reform, and describes the problems, challenges and countermeasures in both traditional and new special economic zones. It provides an analysis of China's special economic zones, including a review of the year's developments in the form of experimental zones. It also presents new special economic zones and focuses on analyzing the transformation of these zones; the use of resources; sustainable, economic and social development; social security and technical innovation in the context of current developments. It also offers a comparative analysis and makes policy and development suggestions for each issue.
