E-Governance in India

The Progress Status

The book discusses the concepts of E-Governance from the understanding of a naïve user. While providing introduction to the concept, it shows the status of E-Governance in India through various measures, and its progress through different case studies. The historical development of E-Governance around the world and its rise in few developed and developing nations have also been discussed. The book also elaborates the establishment of E-Governance in India in detail and then compares the progress in Indian states through different measures and metrics. The structure of the E-Governance in India has been explained, including the explanation of the details related to National E-Governance Plan. The book is a combination of theoretical and practical concepts defined over various aspects of E-Governance in India. This book serves as the first stage reading material for any individual working in the Indian region on E-Governance.
