## Connecticut Corporation Law and Practice

---

Connecticut Corporation Law and Practice, Second Edition is a complete up-to-date guide to understanding Connecticut corporation law, both procedural and substantive. This single-volume treatise includes legislative history, major case law holdings and statutes, rules, and regulations governing the internal affairs of Connecticut corporations and limited liability companies, with special emphasis on such topics as mergers, tender offers, dissenter's rights, quorum and voting rights, directors' duties and liabilities, and the law governing foreign corporation Connecticut Corporation Law and Practice, Second Edition provides full coverage of a wide range of material within a coherent and cohesive structure, including detailed analysis and discussion of changes in Connecticut law, which will have a significant impact on the formation, organization, operation, management, and dissolution of Connecticut corporations; recent case law developments; and analysis and discussion of the Connecticut Business Corporations Act, Tender Offer Act, and Limited Liability Company Act, with references to the Connecticut Nonstock Act. It also provides official forms and recent changes to the Revised Model Business Corporation Act.
