Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes – portability, meaningful feedback, and greater efficiency. This looseleaf version of the Connected Casebook does not come with a binder. Civil Procedure: A Coursebook provides solid scholarship but does not hide the ball. The book's accessibility, organization, and interior design support its innovative pedagogy. New to the Third Edition: Recent (Dec. 1, 2015) rule amendments abrogate the federal forms and make important changes to the discovery rules. This edition reflects both sets of changes and includes provocative new materials on the revitalized proportionality standard of discovery and the ethical requirements for competency in electronic discovery, in addition to other smaller updates. CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. OUTLINE TOOL Most professors will tell you that starting your outline early is key to being successful in your law school classes. The Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.
